Languages: Indonesian (native); English (TOEFL ITP, ETS, 2024); Korean (Yonsei University certificate, 2024)

PROFESSIONAL EXPERIENCE

PT. Mekar Investama Teknologi (MEKAR) | Fintech Lending, Jakarta Selatan | Jul 2024 - Present

Operations Supervisor Dec 2025 - Present

- Monitor and analyze daily disbursement performance across 4 lending products, using data to identify bottlenecks and prioritize fixes.
- Redesigned operational workflows, reducing processing time by 15-20% and minimizing recurring errors.
- Produce operational reports and insights for management and shareholders to support business decisions.
- Own workflow standards and compliance checks, ensuring consistent, regulation-compliant execution.
- Lead a team of junior operations staff: assign workload, track performance, and set daily priorities.
- Resolve operational issues with internal teams and external partners; manage special projects from planning through implementation.

Senior Operations Officer Apr 2025 - Dec 2025

- Directed daily loan disbursement across multiple lending products with full regulatory compliance.
- Standardized workflows, reducing processing errors and improving turnaround time.
- Managed and optimized large-scale borrower databases, improving data integrity and usability.
- Coordinated with Sales, Collections, Finance, and external partners to deliver on-time, accurate execution.
- Mentored a small operations team through task delegation, performance monitoring, and training.

Business Support Jul 2024 - Mar 2025

- Maintained 5,000+ borrower records with full data integrity and compliance.
- Built a structured tracking and reporting system that improved visibility and reduced loan disbursement errors.
- Coordinated disbursement and reporting workflows with 10+ external partners.
- Reduced disbursement delays and improved team efficiency; recognized for accuracy and timeliness.

Customer Operations | Shopee, E-commerce, Yogyakarta (Contract) Oct 2023 - Dec 2023

- Resolved 50-70 customer calls daily (complaints, inquiries, escalations) in a high-volume call center, maintaining high CSAT.
- Documented complex cases and escalated them to internal teams to support service improvement.

RESEARCH & FIELD DATA EXPERIENCE

Student Intern | Bio-Paleoanthropology Laboratory, Universitas Gadjah Mada Nov 2022 - Dec 2022

- Analyzed human skeletal remains (bones and teeth) from active archaeological sites; documented and archived findings for academic reference.

Field Archaeologist | BPSMP Sangiran (UNESCO World Heritage Site) Sep 2022 - Oct 2022

- Collected and managed excavation records, including site notes, photography, and digital field data.

EDUCATION

Bachelor's Degree, Archaeology | Universitas Gadjah Mada (UGM) | GPA 3.67/4.00 | Aug 2019 - Aug 2023
